EBS opens branch office in Boston, Massachusetts, USA

The globally operating company continues to expand in USA

Heusenstamm (re/mas) - EBS Euchner Büro- und Schulsysteme GmbH | Educational & Business Systems has opened a new branch office in the USA. The manufacturer of educational technologies and signal management solutions based in Heusenstamm, Germany, whose export share already accounts for over 50% of total sales, opened its subsidiary in Boston, Massachusetts (USA) in January. The steady expansion efforts of EBS in both the North- and South American markets have entered into a new era with the establishment of EBS Educational & Business Systems USA Inc..

For many years, EBS has been active in the US through representatives, serving customers primarily in the educational sector (colleges / universities), police / law enforcement/ military as well as corporate clients. In order to respond quickly and individually to customer demands, it was decided to establish EBS USA Inc. Educational & Business Systems.

Managing Director of EBS USA Inc. is Mr. Alex Smith.
